

ICT DEPARTMENT REPORT January 2015

Hi, happy new year! We are fine at St.Christine- Kabondo. However, we have begun experiencing a dry season of chilly mornings and hot days. We are back at school for the first term of the New Year.

I'm happy to inform you that we managed to repair and update our computers and they are now in good order and condition, to be used by both the pupils and teachers. Attached herein are pictures of the computer technician in the course of assessment and repair of the machines. I thank you all for your continued support. Wishing you all the best in your endeavors.

From Augustine.
