**Subject:** Swedish school visit

Hi

Today we received two teachers and 38 students from Swedish school in our school.They arrived at about 10..00 in the morning and immediately we changed the initial program we had prepared to fit their time of stay which was reduced to 3 hours.

I introduced my teachers to them,we divided ourselves into groups of discussion of different items consisting of our pupils,their students and teachers from both end later it was football game which ended 2-2 draw.By 12.30 they were watching drama groups which they really appreciated and one of their teachers offered each drama member a bottle of soda

Here are some pictures attached.
