

TERM 1 2017 ACADEMIC REPORT

Greetings to all.

St Christine School has exam policy of two exams in a term that is; mid-term and end term. The senior classes sit for external exams such as cluster, zonal, sub-county and the county exams but according to the recent regulations the external exams are prohibited.

The following is the result analysis for the whole school.

E.C.D.E

Baby class had good result. Still we need to do a lot on how to read.

Pre-unit had a class mean of 305 out of 500. This is considered a great improvement from the previous result.

LOWER PRIMARY

Class one had a mean score of 305 out of 500. The pupils are adapting well in primary.

Class two had a mean score of 278 out of 500. This is considered good.

Class three had a mean score of 206.86 out of 500.

UPPER PRIMARY

Class four a class of 38 attained a mean score of 287.45 out of 500. Above average result.

Class five had a class mean of 258.95 out of 500. This is above average result.

Class six attained a mean score of 252.50 out of 500. This is a fair result.

Class seven attained a mean score of 265.8 out of 500. This is a good improvement from their previous result.

Class eight had a mean score of 309.36. This is good and what we want.

GENERAL COMMENT

The result is generally good. This is boosted by the language policy and above all the dedication of the entire staff.

The challenge that we face is the truancy. We have been able to curb it a little in some other ways and we hope we will succeed at last due to the frequent parents meetings that we have.

Result in class one and two is becoming good due literacy program that we are embracing. As a school we plan to start this at the beginning of the first term next year. We will request the support of the sponsors.

Our pupils are all-round, we can witness this in the way they perform in academics and co curricula activities such as drama, music and sports.
