

### **Latest news from the school**

November 28 we received the following message from head master Calvince at Christitne

Hello all

Below is how our class of 2019 performed.

We are proud to push all the 27 of them to form one for next year.

Regards Calvince

#### *Our comment*

All the students in 8th grade achieved such good results in their exam tests that they are approved and qualified to continue in secondary school. We already know that among the 3 -5 best students who reached the best results there are those who will get sponsors allowing them to attend the schools for which they are qualified. This will be tried individually and is dependent on the student's results and need for financial support. If we have understood the situation correctly, are all the pupils, even those just below 200 points, qualified for secondary school and then probably in a school close by, meaning that the student can live at home and not at the school, which means that the fees are much lower.

*We will take this opportunity to send lots of thanks to the whole staff at the school, who in different ways contribute to the students' good results. This work starts and is grounded in the lower grades and continues intensely up to and including the 8th grade. You are really afire for your task and dedicate lots of time and engagement to encourage and help the students to reach as far as possible considering each person's conditions. Our warmest thanks to all of you!*

### **Recent events in the Association**

During two weekends we participated in two Christmas fairs. In all we were six persons taking turns during the four days. At the Farsta fair we were indoors and for the first time in the barn with ground level entrance making it easier for strollers and roller supports to visit us. At Tyresö the whole market is outdoors and the small booths give a real country village atmosphere. Both markets are very nice but with a bit different characters. The sale was good and we got a most welcome contribution to the operation of the school.

Following are a few glimpses from the two weekends.

Christmas Fair at Farsta Gård, November 23 – 24

Lilla Tyresö Inn and Youth Hostel, November 31 and December 1

### **This years' Christmas Gift**

For you, who didn't get a chance to visit our fairs. Don't forget our children during Christmas. A small gift in the form of a donation to the school is always welcome. A very clear proof that your gifts do a lot of good is the results of this year's graduates from 8th grade. Please continue helping the children of Kabondo so that they also in the future can get good schooling at St Christine School.

You can find additional pictures from the Christmas fairs and from the school in our web page [www.kisumu.se](http://www.kisumu.se)

Finally we wish you all a pleasant holiday season. Merry Christmas and A Happy New Year
