

## **Latest news from the school**

Just in time for the annual meeting we got the compilation of the exam results of the students in 8th grade. Due to the worldwide ongoing pandemic all schools in Kenya were hit very hard including St Christine. Closed schools in a country where very few have access to internet affect the pupils very severely. Since the school re-opened for the graduation classes, i.a. 8th grade, teachers and students have worked hard. During a few weeks the tuition was in the form of boarding school and the 8th-graders lived in the school and worked intensely together with their teachers, who are very anxious that the pupils reach best possible results. Education, meals, hygiene and sleeping accommodation were managed thanks to a fantastic staff, both teachers, managers and other personnel. The results show that all the pupils in 8th grade reached more than 200 points, which is the limits for admittance to secondary school. It's sad that not all custodians have the economic means to let the children continue, but the school's staff make everything they can to help the pupils apply for scholarships for further education.

## **Annual Meeting April 21**

The Association's annual meeting was held on April 21. 15 persons had accepted the invitation and the meeting was held completely digitally. All documentation is available on the Association's home page, where the meeting minutes also will be published as soon as they are scrutinised and ready. The board now again consist of nine persons, which feels good.

The board was organized as follows:
